Subject: oversights on the web page

In reviewing the next to the last paragraph of the letter from the Southern Environmental Law Center to FEMA dated 11/30/00, it appears that the letter that was written to FEMA in September (see the first line of the paragraph) was not posted on FEMA's web page. Unless you are now going to post it on the web page, please fax me a copy at [REDACTED]

thanks,

[REDACTED]
